CUE WALL-MOUNT QH ART516

The different cue wall-mount design!

There is a designer pool table in your room, but the walls are still bare and empty. Another picture or another wall shelf in the apartment? - Better not!

„Decorate“ the wall more sensefull with an extraordinary cue wall-mount. 5 cues are now perfectly staged for the pool table.

Also for this wall-mount, we remain to our intension of high-quality material combinations and use real oak wood with a powder-coated rear plate (matt with a fine structure).

DIMENSIONS (H X W X D)

- > 46 x 55 x 4 cm
- > cue support: 3,5 cm

MATERIAL

- > powder-coated steel, fine structure matt black, white or silvergrey
- > cue support made of solid oak

OPTIONS

- > various RAL colors
- > cue support in oak or in oak black
- > wall spacers to accommodate a cue bridge
