## OUTDOOR BENCH LIGHT ART701

Less is more in this case: the bench with one leg and yet so stable. The bench is screwed with ground anchors. Hidden struts within the seat provide maximum stability. Alternatively available as a stand version (without ground anchor)

### FEATURES AND BENEFITS

- > very stable design
- > high-quality and sustainable materials ensure maximum quality
- > design and production "Handmade in Germany"
- > high-quality and durable powder coating

### DIMENSIONS (H X W X D)

- > height: 46 cm (seat) 92 cm (backrest)
- > width: 185 cm
- > depth: 38 cm (Sitzfläche)
- > leg: 14 x 4 cm

### MATERIAL

- > powder-coated steel, hot-dip galvanized, fine structure matt black, white or silvergrey
- > cap (front und top): stainless steel, finely brushed

### OPTIONS

- > various RAL colors
- > wooden-optic pad for the seat and backrest
- > dimensions according to customer requirements
- > version for floor screw connection (concrete base with screw connection)
- > direct cast-in version
- > freestanding bench version

## OUTDOOR BIKE STAND LIGHT ART702

A bike stand with a new design. Very simple and yet very extraordinary.

The bicycle lock is guided through the upper double strut.

To protect the bike from theft, the bike stand is screwed to the ground using ground anchors or alternatively concreted in.

### DIMENSIONS (H X W X D)

- > height: 74 cm
- > width: 130 cm
- > leg: 14 x 4 cm

### OPTIONEN

- > various RAL colors
- > version for floor screw connection (concrete base with screw connection)
- > direct cast-in version
- > dimensions according to customer requirements

## OUTDOOR TRASH-CAN LIGHT ART703

This trash-can-design rounds our „light“-series and harmonises perfectly with the style of our art701 bench and art702 bicycle stand.

The trash-can is either screwed onto ground anchors or alternatively concreted in.

Of course, the waste container can be removed from the column for emptying.

### DIMENSIONS (H X W X D)

- > 75 x 40 x 40 cm
- > leg: 14 x 4 cm

### OPTIONS

- > various RAL colors
- > version for floor screw connection (concrete base with screw connection)
- > direct cast-in version
